Dear Wendy,

Lionel and I offer our deepest condolences on the loss of your sweetheart Michael. We have only warm and wonderful memories of Captain Cavaghan. I remember especially the last cruise on MV Discovery, and Michael was there, and I missed seeing you, that was the Baltic Cruise.

I will plant a tree in our backyard. I will save the photo of our dinner at the Captains table, and will always remember the handsome, kind and elegant man, Michael.

Love to you, and may our paths cross someday in this beautiful world.

Mary Rose

Dear Wendy

We have fond memories of you and the captain. We have just returned from a world cruise on the Amsterdam and are very saddened by the news.

However we feel privileged to have enjoyed his hospitality.
